# ABOUT US

Beginning in 1992, we have grown to become a reliable name around the world for healthcare needs. We are specialised in Manufacturing Formulation, API and Ayurvedic Products with Pan India operations and Exports to more than 80 Countries. Our emphasis is to provide quality healthcare products, at affordable prices.

We have 5 state of the art manufacturing facilities producing API and Finished formulations. We focus on niche API and Intermediates. Our formulation brands have become leading brands in India and across many countries with a commendable market share.

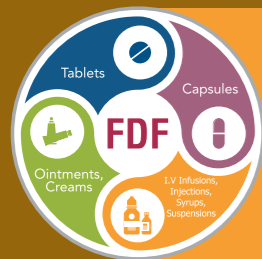

An aggressive, professional and reliable team has helped to service, retain and increase our customers base for 30 years.

A widely held public limited company listed on BSE & NSE, two premier stock exchanges of India.
