

CDMO Leadership Awards 2024

FAMAR is honored to be recognized with **2024 CDMO Leadership Awards** in the categories of **Capabilities, Expertise, Quality and Service** for the second consecutive year.

FAMAR scored as Champion in the Service category.

FAMAR scored as Top Performer in Innovation. We were also awarded the following Individual Attribute Awards as **we exceeded customer expectations:**

- Accessible Senior Management
- On-Time Delivery
- Right First Time
- Strength of Science

The awards are based on customer feedback about the performance of the company's contract manufacturing practices based on projects delivered in the last 18 months. More than 70 contract manufacturers were assessed on 23 performance metrics during the ISR's annual Contract Manufacturing Quality Benchmarking survey.

These awards are based on customer feedback and confirm our commitment to excellence and being a trusted CDMO partner.

The CDMO Leadership Awards are presented by Outsourced Pharma and supported by Life Science Leader.
